Meet our new Bilingual Youth Engagement Coordinator

Providence Promise is excited to welcome Jaelene Santos as our Youth Engagement Coordinator. Jaelene is a first-generation college student who is a strong advocate for affordability and accessibility to quality education. She obtained her bachelor's degree from The University of Rhode Island in Human Development and Family Sciences. She is passionate about working together with children and families to help empower and equip them for their stages of development. Jaelene is excited to join the Providence Promise team, and plans to make a positive impact on the families and youth that we serve through her work as the new Bilingual Youth Engagement Coordinator.

MAY SPECIAL INCENTIVE

May is the month to appreciate your pets and your mental health, since it is both the National Pet Month and Mental Awareness Month. So, you have two options:

1. Write, draw or visually represent a short story about your pet. Feel free to get creative!
2. Engage in one self-care activity, like cooking a nourishing meal, treating yourself to a mindful walk, reading a book, or any other relaxing activity that you like!

SEND PHOTOS OF YOUR INCENTIVES TO
INCENTIVE@PVDPROMISE.ORG.
