March Special Incentive

Send your incentives to
incentive@pvdpromise.org.

In celebration of Women's Day this year, Providence Promise encourages you to create a one-page informational sheet on an influential woman of your choice for this month's special incentive. Choose a woman, either famous or from your personal life, who inspires you and/or has made a significant impact on history. Write a 3-5 sentence paragraph about their work and/or you can choose to depict their work through a picture or visual representation. Feel free to even do some artwork!
